

Help Us Finish Our Church Home

We're building a place where people can meet God, grow together, and serve our community. The structure is up, but we're not finished yet.

What's left to complete:

1. ***Plastering*** – to make the walls safe, clean, and ready for use
2. ***Flooring*** – to create a solid, comfortable space for worship and gatherings
3. ***Electrical wiring*** – to light the space and power sound, lights, and equipment
